Construction

Using premium quality, recyclable aluminum extrusions, Outlines is designed and built to last. Durability is key, particularly in the workplace. The fast and easy installation of these privacy panels makes Outlines the perfect "add-on" series and a good choice for any office.

Transaction Tops - All tops are 45lb industrial particleboard core with a thermally fused laminate surface and have 3mm PVC finish on exposed edges for toughness and durability.

Panels - HDL panels are made from recyclable clear polycarbonate as it is light, durable and will not discolour over time. It also enables as much natural light into the workspace as possible.

- 12" installed panel height (additional 1" with transaction top)
- panels to fit 66" & 72" widths available

Outlines *Plus*

Simplicity is the key to Outlines Plus. Brackets are top mounted or edge mounted and the panel secured in place. These panels are compatible with new or retrofitted desk assemblies and edge mount panels can also be installed in temporary applications as brackets are secured to the underside of a work surface.
